WELCOME TO THE GUIDE TO GIVING 2022/2023

Since 1980, Cumberland Community Foundation has been helping donors improve the quality of life for all in Cumberland County, N.C. Since 2020, we have partnered with CityView and local charitable organizations to present this *Guide to Giving* and to promote GivingTuesday.

GivingTuesday is a global day of generosity celebrated on the first Tuesday after Thanksgiving. Every year, people across the world come together to thank, help, give, show kindness, and share what they have. Cumberland Community Foundation is working with the charitable organizations in this directory to make it easy for you to “give local” and support their important missions.

Visit our website www.cumberlandcf.org at the end of every November to learn more about GivingTuesday and make gifts. Cumberland Community Foundation will amplify your gifts on GivingTuesday with **matching funds** provided by sponsors. (Matching funds available: \$300,000 in 2020, \$400,000 in 2021, \$475,000 in 2022)

HOW WERE THE ORGANIZATIONS IN THE GUIDE TO GIVING SELECTED?

While the 76 organizations in this guide offer strong representation of the nonprofit community in Cumberland County, we recognize that this list is not comprehensive. The organizations included meet all of these criteria: They received a grant from a fund at CCF in the last five years (including donor advised funds), they are a 501(c)3 charitable organization based in Cumberland County, and they responded to an invitation sent in July 2022. We encourage you to do your own research before donating and/or volunteering with any organization. Be sure to check out our *Tips for Informed Giving* on Page 2 for more guidance.

TIPS FOR INFORMED GIVING

GIVE FROM THE HEART, GIVE RESPONSIBLY

Charitable giving is one of the most meaningful things a person can do. Regardless of gift size, a bit of planning ahead of time is a great idea. Follow the tips below to make sure you are giving with confidence to charities you trust.

DEFINE YOUR MISSION. Consider the issues about which you are passionate. What would you like to change about our community? How would you like to make a difference? Once you have defined your charitable vision, find a nonprofit with a mission and programming that align with your core values and goals.

VERIFY CHARITABLE STATUS. Verify the organization's charitable status using one of the third-party sites available, such as Guidestar.Org or IRS.Gov. There you can confirm that the organization is a 501(c)3 public charity in good standing with the IRS. (Note: CCF verified the charitable status of every organization in this directory prior to publication.)

LEARN HOW YOUR GIFT WILL BE USED. Gain insight into the organization by reviewing its website, annual report, and tax return (990). Feel free to ask more questions about financial stability, leadership, and stewardship systems. General support/unrestricted gifts allow an organization to make the best decisions about the efficient use of your funds.

ASSESS THE IMPACT OF THE ORGANIZATION. What measurable effect is the organization having in the community? Explore the nonprofit's own website, social media presence, and publications such as its annual report. Search the organization's name online. What news articles or other information can you find about the work the organization is doing? Most credible charities are happy to celebrate the impact they are having, so it should not be difficult to learn more about their work.

DON'T FORGET: YOU CAN GIVE MORE THAN MONEY. Nonprofits are often looking for willing volunteers who can help with day-to-day operations or special projects. Volunteering is a win-win in that it helps organizations save money on having to hire help, while allowing you to make a difference and give back to your community through your time and talent.

HAVE FUN! Studies show that giving and volunteering increase lifespan, happiness, and quality of life. People give for a variety of reasons. Whatever your reason for giving, enjoy yourself and give generously!

ESTABLISH YOUR CHARITABLE LEGACY

DESIGN AN ENDOWMENT FOR YOUR FAVORITE CAUSES

Since 1980, Cumberland Community Foundation has distributed over \$80 million in grants and scholarships made possible by endowments created by people just like you. Whether your interest lies in providing for those in need, sustaining the arts, supporting education, or any other worthy mission, Cumberland Community Foundation is here to help you.

Creating Your Own Named Endowment Fund Is As Easy As 1, 2, 3!

Step One: Decide the charitable purpose of your endowment.

Your fund can provide annual support to a favorite charitable organization (such as those listed in this publication), make a difference in a certain area (such as arts, education, health, human services, youth, seniors, environment, and more), provide college scholarships to deserving students, or meet the community's greatest needs and opportunities as they change over the years.

Step Two: Name your new fund. Naming your fund gives you the opportunity to create a legacy of a loved one, your family, or yourself. We will help you work it out.

Step Three: Decide when to give. Create your own endowment by donating during your life or through a gift in your will, beneficiary designations, or other estate plans to Cumberland Community Foundation, Inc. (Tax Id 58-1406831).

We are here to help: Send a confidential email to Gifts@CumberlandCF.org or call (910) 483-4449 and ask for Donor Services.

WHAT IS AN ENDOWMENT?

An endowment is a charitable fund that provides ongoing support to an organization or cause – in perpetuity! The fund is invested and continues to grow through sound stewardship on the part of CCF. Each year, a grant is made to a charitable purpose of the donor's choice from the income of the fund. By protecting the principal of the fund, it continues to grow and create income for the chosen organization or cause, making a positive impact – forever.

THE POWER OF ENDOWMENT

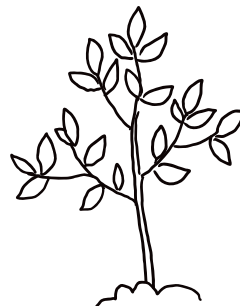

When you establish a charitable endowment with Cumberland Community Foundation, you choose to provide community support that lasts forever.

In 1995, Arlene Cooper created an endowment in memory of her husband, Walter H. Cooper, with an initial gift of \$20,000. She continued to give to the endowment for several years.

CCF invested all her gifts to the fund for long term growth and distributed grants from the investment income annually to the charities she designated.

Every year, the four charities she designated - The CARE Clinic, The Salvation Army, Catholic Charities, and St. Patrick Church - receive distributions in memory of Arlene and Walter Cooper.

Today this memorial endowment has grown to \$121,890 and so far has distributed \$65,806 to the four designated organizations.
