## WELCOME TO THE 2024/2025 GUIDE TO GIVING

Since 1980, Cumberland Community Foundation has been helping donors improve the quality of life for all in Cumberland County, North Carolina. We're proud to partner with CityView and our local nonprofits to bring you this Guide to Giving for the fifth year in a row to promote the 2024 GivingTuesday campaign and spread awareness about our incredible nonprofit community.

GivingTuesday is a global day of generosity celebrated on the first Tuesday after Thanksgiving. Every year, people across the world come together to thank, help, give, show kindness, and share what they have. Cumberland Community Foundation teamed up with the nonprofits listed in this directory to make it easy for you to support the causes that matter most here in our community.

This year, CCF's GivingTuesday campaign runs from Nov. 25 to Dec. 4, 2024. During this time, Cumberland Community Foundation will amplify your gifts with matching funds provided by CCF and our generous matching donors. Since 2020, we've increased the power of giving by offering matching funds (\$300,000 in 2020, \$400,000 in 2021, \$575,000 in 2022, and \$560,000 in 2023). Support your favorite causes through the campaign to have your gift amplified!

## HOW WERE THE ORGANIZATIONS IN THE GUIDE TO GIVING SELECTED?

While the 78 organizations in this guide offer strong representation of the nonprofit community in Cumberland County, we recognize that this list is not comprehensive. The organizations included meet all of these criteria: They received a grant from a fund at CCF in the last five years (including donor advised funds), they are a 501(c)(3) charitable organization based in Cumberland County, and they responded to an invitation to submit an application. We encourage you to do your own research before donating and/or volunteering with any organization. Be sure to check out our *Tips for Informed Giving* on Page 2 for more guidance.

# TIPS FOR INFORMED GIVING

## *GIVE FROM THE HEART, GIVE RESPONSIBLY*

Charitable giving is one of the most meaningful things a person can do. Regardless of gift size, a bit of planning ahead of time is a great idea. Follow the tips below to make sure you are giving with confidence to charities you trust.

**DEFINE YOUR MISSION.** Consider the issues about which you are passionate. What would you like to change about our community? How would you like to make a difference? Once you have defined your charitable vision, find a nonprofit with a mission and programming that aligns with your core values and goals.

**VERIFY CHARITABLE STATUS.** Verify the organization's charitable status using one of the third-party sites available, such as [guidestar.org](https://www.guidestar.org) or [irs.gov](https://www.irs.gov). You can use these to confirm that the organization is a 501(c)(3) public charity in good standing with the IRS. (Note: CCF verified the charitable status of every organization in this directory prior to publication.)

**LEARN HOW YOUR GIFT WILL BE USED.** Gain insight into the organization by reviewing its website, annual report, and tax return (990). Feel free to ask more questions about financial stability, leadership, and stewardship systems. General support/unrestricted gifts allow an organization to make the best decisions about the efficient use of your funds.

**DON'T FORGET: YOU CAN GIVE MORE THAN MONEY.** Nonprofits are often looking for willing volunteers who can help with day-to-day operations or special projects. Volunteering is a win-win in that it helps organizations save money on having to hire help while allowing you to make a difference and give back to your community through your time and talent.

**CONSIDER YOUR LEGACY.** It's easy to create a lasting legacy, and Cumberland Community Foundation is here to help you. At CCF, you don't have to choose just one cause to benefit from your estate. You can design an endowment to support your favorite causes every year, forever.

**HAVE FUN!** Studies show that giving and volunteering increase lifespan, happiness, and quality of life. People give for a variety of reasons. Whatever your reason for giving, enjoy yourself and give generously!

Whether your interest lies in providing for those in need, sustaining the arts, supporting education, or any other worthy mission, Cumberland Community Foundation is here to help you.

**Step Two: Name your new fund.** Naming your fund gives you the opportunity to create a legacy of a loved one, your family, or yourself. We will help you work it out.

**Step Three: Decide when to give.** Create your own endowment by donating during your life or through a gift in your will, beneficiary designations, or other estate plans to Cumberland Community Foundation Inc. (Tax ID 58-1406831).

#### WHAT IS AN ENDOWMENT?

An endowment is a charitable fund that provides ongoing support to an organization or cause – in perpetuity! The fund is invested and continues to grow through sound stewardship on the part of CCF. Each year, a grant is made to a charitable purpose of the donor's choice from the income of the fund. By protecting the principal of the fund, it continues to grow and create income for the chosen organization or cause, making a positive impact – forever.

## THE POWER OF ENDOWMENT

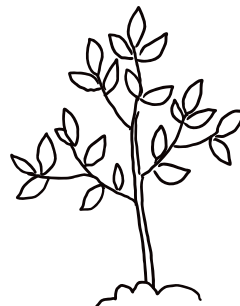

*When you establish a charitable endowment with Cumberland Community Foundation, you choose to provide community support that lasts forever.*

In 2013, Cole Humphrey's family created an endowment in his memory to support two of his favorite things – football and baseball at his high school. The initial gift was \$5,000. Cole's family and friends continued to make gifts to this endowment each year.

Cumberland Community Foundation invested those gifts for long term growth. Each year, Cape Fear High School receives grants paid from the investment income. 100% of every gift is still in the endowment.

Every year, the football program and the baseball program receive distributions in memory of Cole Humphrey who was an excellent student and star athlete at Cape Fear High School.

Today, this memorial endowment has grown to \$143,923.20 and has already distributed \$35,090 to the high school in Cole's memory. In 2024, Cape Fear football and baseball received \$2,500 each.
